Moods

A college, like the students, is a maze of constantly changing moods . . . a quiet mood when the dorms are empty and the halls echo . . . a proud mood when the winning touchdown is scored . . . a restless mood when homework is done and the night is young . . . a silly mood when clowning with your roommate . . . a tense mood when it's the bottom of the ninth and the Indians have the bases loaded . . . the tired mood when it's been a long day . . . a contented mood when just sitting and thinking or talking to a friend . . . the party mood when exams are over and Christmas holidays start . . . a nervous mood when there is a deadline to meet . . . an elated mood when the test results are given and you get an A . . . an embarrassed mood when you thought nobody saw you fall . . . a spirit lifting mood when a friend gives you a hug . . . and the great feeling you get by just being with people you love.

IJC encompasses all these moods and countless others. The spirit of friendship and the caring attitude of the instructors adds a truly happy and friendly mood to the campus.

ADMINISTRATION

Dr. W. O. Benjamin, President

A Decade Of Service . . .

Dr. W. O. Benjamin has been president of Itawamba Junior College since July 1, 1972. Before coming to IJC he was science teacher and high school principal at Indianola, as well as high school principal and assistant superintendent of schools in Greenwood.

He is a graduate of Hurricane High School in Pontotoc County. From the University of Mississippi he has received the Bachelor of Arts, Master of Education, and Master of Science degrees, and in 1977 he received his Doctorate in Education.

Dr. Benjamin is responsible for the facelift of the campus, because of his institution of the long-range planning for the campus' new facilities.

As IJC's third president, he completes his first decade of service to the junior college. The students, staff and faculty all are aware of the growth, progress, and enrichment from his years in office. We know he is there at the football games far away, the basketball games on those cold nights when we stayed home, the theatre department's plays, and at the music department's concerts. We appreciate his support for us, and he will always be a special part of IJC.

(Left) "HAPPY BIRTHDAY, Dr. Benjamin!" (Middle) President Benjamin enjoys the homecoming festivities with his wife, Doris. (Bottom) Dr. Benjamin speaks with Governor William Winter at graduation.

1981 Football

"Can't wait for the season to start" was the way Coach Mike Eaton described his feelings before the 1981 edition of Itawamba Junior College football began in Raymond, MS. With a blend of sophomore experience and freshmen raw talent, our Indians ran and tackled their way to a fine 7-3 record. After an opening 8-7 win against Hinds, and another victory over East Mississippi, IJC was handed its first loss of the season by Mississippi Delta, 35-14. Delta finished behind Holmes in the north half conference standings. After a victory over Southwest, Itawamba met up with Holmes, and was soundly defeated, 30-7. The Indians then reeled off four victories in a row, including an exciting 25-22 victory over Northwest and a 49-0 Halloween romp over Coahoma. The season ended with a disappointing 21-14 loss to Jones Junior College who ended the season with the best record in the state. Congratulations on a fine season, Indians!

Cheerleaders Win Awards

The Itawamba Junior College cheerleaders attended the National Cheerleaders Association summer workshop in Knoxville, TN., where they received top recognition as the best cheerleader squad at the camp. The workshop was held at the University of Tennessee and attracted over 600 cheerleaders from a five-state area.

The coveted "Award of Excellence" was presented to the cheerleaders on behalf of the National Cheerleaders Association. The Association is sponsoring this special award at each of over 250 NCA workshops held across the United States. The IJC cheerleaders were selected for this award over all of the cheerleaders at the workshop on the basis of their cheerleading technique, unity, friendliness, cooperation, leadership and sportsmanship to the other squads attending.

Other awards won include spirit stick and second place trophy for pompon routine which incorporated partner stunts and creativity.

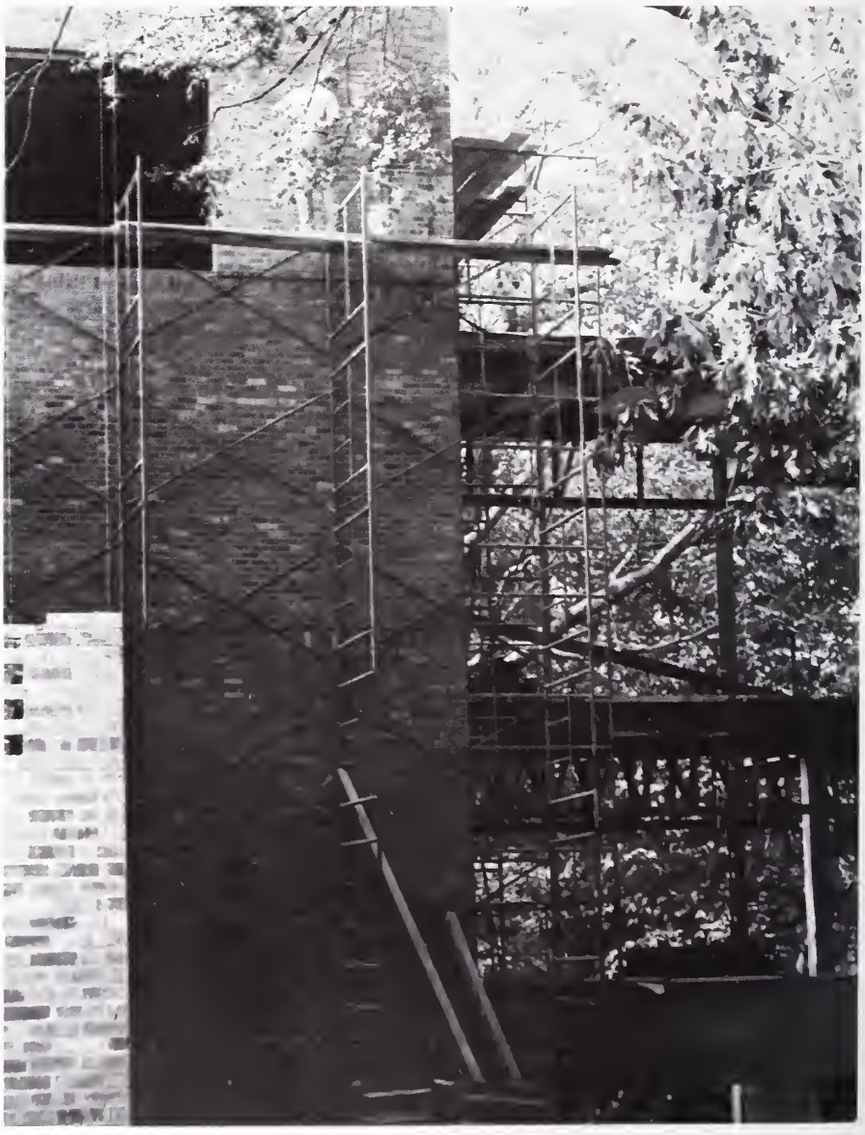
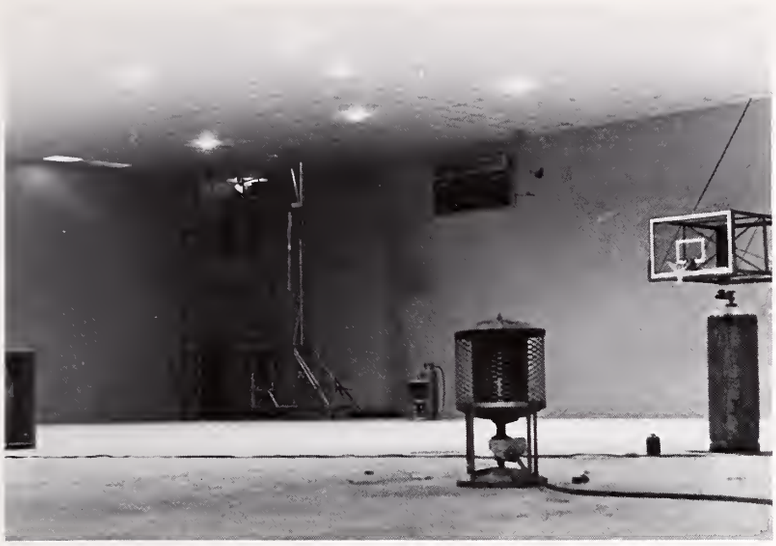
Images . . .

When mentioning IJC, many images come to mind. There are images of a growing campus, one with friendly students and faculty. There are images of study, relaxation, sports and people just being themselves.





IJC COURTS
RULES AND REGULATIONS
1. Tennis shoes only
2. No skateboards, bikes, roller-skates, animals, etc.
3. No food or drink (except water)
4. Use court courtesy
5. Courts close at 11:30 p.m.

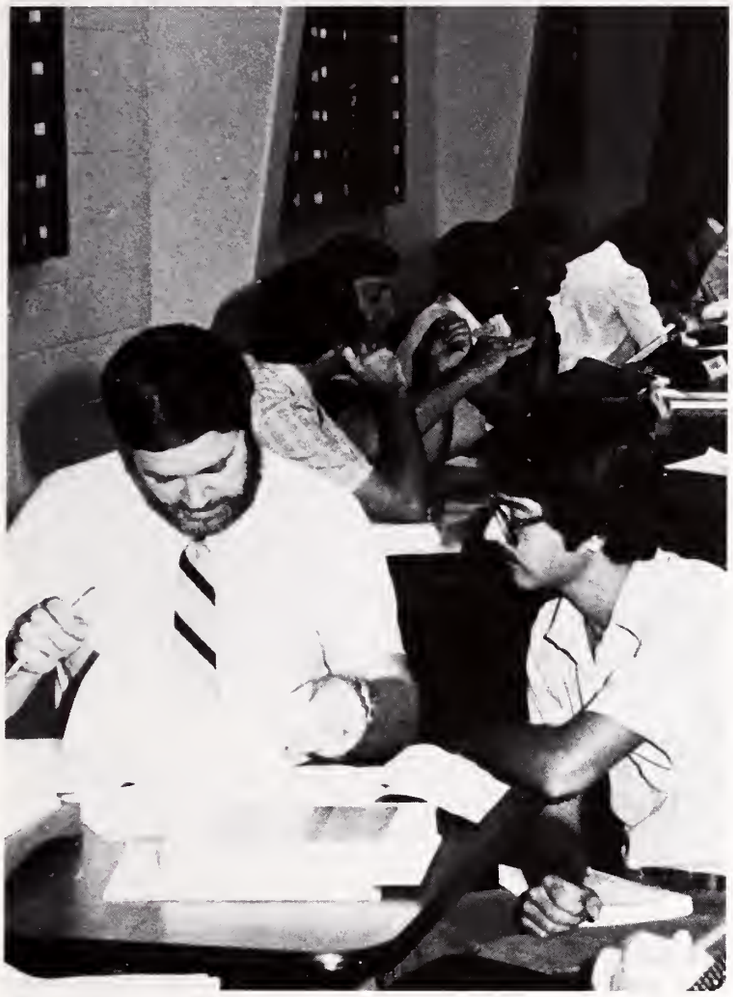
Involving . . .

Happy Endings . . . New Beginnings



As the school year comes to a close, I find myself thinking back on the two years I have spent at IJC. They have been two of the best years of my life. I have widened my circle of friends and felt a real sense of belonging.

In working with the yearbook this year, I would like to thank the people on the staff of the Mirror. Somehow they overlooked my inexperience and together we worked as a team to bring this book to you. Thanks to Donna, Pat and Carol for their leadership and zany sense of humor. (File them under "D".)

It has been a different, but rewarding experience editing this book. We hope that through the "Mirror" we have been able to convey many of the moods of IJC — the moods of a growing college.

Through the years I'll treasure the memories of IJC. The people I'll always remember, think of often, and pray for.
